The Airflo Classic 2010 Individual International Competition will be organized by the Confederation of English Fly Fishers and will be fished to the CEFF English Open Small Water Stillwater Championship Rules with the exception of the CEFF Competition rules on eligibility. The competition will consist of a number of Regional Heats throughout the UK cumulating in the International Individual Final held at Elinor Fishery, Northants on Saturday 9th October 2010. Anglers may enter as many Regional Heats as they like, although we cannot guarantee the Angler a place (there is a limit of approximately 200 places) and reserve the right to move the Angler to an alternative venue. Entries will be dealt with on a first come first served basis.

The initial entry to the Individual Competition costs £17.50 per entrant and includes the special entry pack. You may enter other heats for a reduced fee of £10 per entrant but you will not receive an extra entry pack. Entry fees are used to cover Management costs and prizes. They are not refundable in any circumstances. Competitors will also be charged fishing fees for the heats and Grand finals. These will be payable on the day unless previously specified.

The number of qualifiers to the Grand Finals from each Regional heat will be calculated on a pro-rata to the overall entry numbers. At least 3 Individuals will qualify from each heat.

If an individual qualifies more than once, due to multiple entries at the Regional heats, then their Grand Final place or places will be allocated to the reserve places at the relevant heats on completion of the heat.

Closing date for entries is 10 days prior to the date of the heat entered.
